

AUTUMN LEAF ART CHALLENGE

Collect • Create • Explore • Be Creative!

1 Collect some leaves

Find different shapes, sizes and colours. Look on the ground in your garden, local park or woodland.

2 Explore and create

Use your leaves to make leaf rubbings, patterns, pictures or even an imaginary creature!

3 Let your imagination lead the way!

Try the ideas below or think of your own. There are no rules – just have fun and be creative!

Creative ideas...

Leaf rubbings

Place a leaf under a piece of paper and gently rub over it with a crayon to reveal its shape and patterns.

Leaf animals

Use leaves to create an animal. Can you make an owl, a fox or something of your own?

Leaf patterns

Arrange your leaves to make a pattern. You could try a circle, star or repeating design.

Imaginary creatures

Combine leaves with sticks, seeds or drawings to invent a new creature!

Leaf people

Use leaves and natural materials to create a leaf person or family.

Leaf landscapes

Create a picture using leaves. You could make a forest, a house or a whole autumn scene.
